# Oasis Wisbech News

No:2 August 2007

## Internet cafe up and running!

The Oasis Centre Internet Café is now open! The purpose built IT suite located at the front of the building includes 15 high spec computers and have been securely set up for safe internet browsing. The facilities are maintained by Danny Hackett from Ensign Solutions Limited (07878 623751 ). Danny said, "I am pleased to be involved with upgrading these excellent facilities, which I'm sure will be enjoyed by all of the Wisbech community."

For only £1.50 an hour you can access the World Wide Web. You will also have the opportunity of IT training if you need help with using the café. This is available for everyone from experts to people that are totally new to computers and the internet.

Either pay by the hour or purchase our vouchers from reception. They are available in £6, £12, £15 or £20 pound that can be used when you ring to book your computer time. **Ring Cherry on 01945 461526** for opening times or to book a time in the diary.

## Craft Fair

Our regular craft fair is just around the corner, these monthly fairs are a great day out for all the family. The next show is on Saturday the 6th of October and will include a variety of craft stalls. Refreshments are available on the day and if the weather is unreasonable it will not effect the day as it is held inside our main hall, ( and lets face it the way the summer is going so far this is an ideal activity that the weather will not be able to spoil). If you are interested in holding your own stall ring Cherry 01945 461526 for details but be quick as the spaces soon disappear! Another benefit to coming on the 6th is that all of the craft holders will offer teaching opportunities to those interested in learning new skills. So if you always fancied trying your hand at Glass Painting pick up a form from that craft table and sign up. It's a great way to learn new skills and make new friends. Also it might save you a few pounds at Christmas!
