Indoor Kurling and Bowling goes down great with the Oasis Friends! come down and join in.

The **Friends of the Oasis** centre which is a club where anyone of any age can join, have set up indoor Bowling and new age Kurling. At the Oasis Centre on Friday the 7th of September we held an open day for people to come down and try their hand at the games. It was readily accepted to be a great success and everyone there had a fun day. Pat Brown, our Charity Chair person, who hosted the event said "It was a really good day and we look forward to people using the facilities on a regular basis. This sort of activity appeals to the young and old and its one of the few sports where people with disabilities can compete with others on an equal level. The best thing about the sport is that the weather cannot affect the session as we hold it in our main hall!" If you wish to join in with Oasis Friends and the many different activities please contact Cherry on 01945 461526.
