Introducing Nut Rat!

He's cheeky, he loves his nuts and he lives in our walnut tree. Nutrat the squirrel is our new resident at the Oasis centre. This cheeky chappy will appear each month in our newsletter and we will be following the adventures of our furry resident and his friends-the Roundabout Bunnies.

We are looking for quick story ideas from budding new writers for Nutrat and his friends. If they're picked we will put them in the next issue. Email your idea's for Nutrats nutty nut trail capers to nik@theoasiscentre.co.uk or ring 01945 428668.

Kids win a fantastic prize in our word search.

Solve the puzzle on the page three and find the hidden words. There are five to find. With the letters left over you can make another word associated with Wisbech. Collect the secret words over the next few months then bring them in to the centre and **win a MP3 player**.

About the Oasis Community & Children Centre

Our Community Centre is based in the small market town of Wisbech situated in the heart of the Fenland region of East Anglia.

Opened by Her Royal Highness the Princess Royal the centre has been supporting the people of North Wisbech for over 30 years. The new centre was built as a result of more than three years work by a group of local residents following a feasibility study which found that a new centre would be more appropriate than refurbishing the old building.

The new building was opened in early 2005 and offers five key services; community centre, nursery, children's centre, family learning and business conference facility.
